INSPIRON 15

Inspiron brand

From the moment you turn on your Inspiron, you're ready to be connected for a seamless experience. Whether you're creating a post, streaming a movie, or finishing your work, Inspiron offers versatility to meet your needs and deliver what matters most to you.

Optimized with technology that simplifies your life, Inspiron laptops and 2-in-1s offer a range of easy-to-use features all packaged in a minimalist and modern design.

With lightweight designs and long-battery life, our laptops and 2-in-1s keep you moving. Equipped with the latest processors, graphics, and technology, your PC runs quickly and smoothly. A range of display options create a brilliant visual experience, whether you're streaming content or collaborating on a video chat.

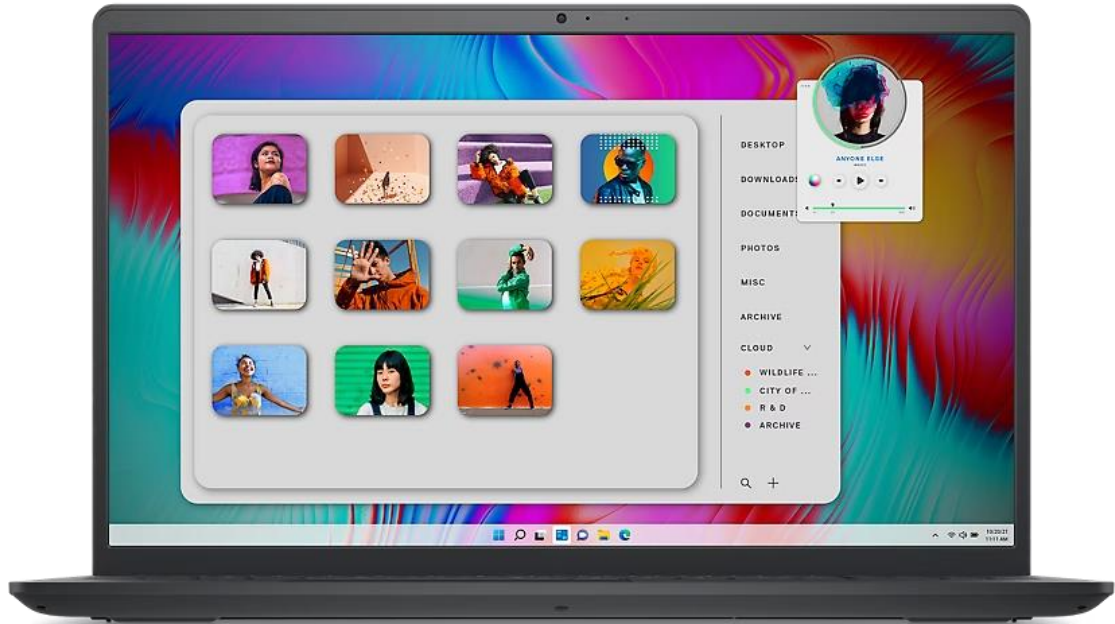

Your Inspiron PC is also now ready for business. And if that's not all, your Inspiron features environmentally-conscious designs that complement not just your style, but also your values.

INSPIRON 15

A simple way to take on your day

The new Inspiron 15 is as stylish on the outside as it is efficient on the inside. Built with up to 13th Gen Intel® (3530) or AMD Ryzen™ processors (3535), you can finish your to-do list in no time.

Adapt to any situation

Adaptive thermals keep your PC running efficiently, whether at your desk or working from your lap. Your Inspiron 15 intelligently adjusts its power and thermals to keep running smoothly, using advanced algorithms and accelerometers. Plus, minimize your time plugged into an outlet with ExpressCharge, which can recharge your battery up to 80% in 60 minutes.

*ExpressCharge must be enabled within Dell Power Manager software. System must be powered off or in hibernation mode for ExpressCharge feature to function. After charging has reached the stated capacity, charging speed will return to normal speed. Recommended for use with the provided Dell power adapter; not recommended with a smaller capacity power adapter. Charging times may vary.

INSPIRON 15

Stay connected to what you love

Enjoy quality video chats with a built-in HD webcam that keeps you looking your best. Easily spend more screen time on the things you enjoy with Dell ComfortView software, which is software solution that helps reduce harmful blue light emissions to keep your eyes comfortable over extended viewing times, like your next movie marathon.

Plenty of ports

Connect all your devices with a variety of ports.

Ergonomic support

Keep your wrists comfortable as you type with the practical typing angle of the lift hinge.

Type with ease

Write and calculate quickly with roomy keypads, separate numeric keypad and calculator hotkey.

INSPIRON 15

Designed for productivity

Your Inspiron PC is now ready for business with military-grade testing for added reliability and easy-to-use, built-in Trusted Platform Module to protect your data. Plus, connect all your personal and business devices with a range of connectivity options.

Upgrade to increased style

Upgrade to a sleek aluminum cover and enjoy these extra features*.

Look your best

With an FHD camera equipped with temporal noise reduction and wide dynamic range, you'll be seen clearly under a range of lighting conditions.

Protect your privacy

The mechanical camera shutter prevents accidental embarrassments.

Reduce background noise

With a built-in dual mic and AI that reduces background noise, you experience loud, clear audio.

Optimize your audio

Hear and be heard with clarity thanks to Waves MaxxAudio tuned speakers and dual mics.

INSPIRON 15

Environmentally conscious

Your Inspiron 15 is designed with sustainable materials* and ships in packaging made from 100% recycled and renewable materials and is 100% recyclable*.

**Sustainable material in the form of PCR plastics; palmrest 30%, bottom cover 30%, and 65W Type-C adapter 50%.*

***Up to 20.1% recycled content and 79.9% renewable materials in the form of FSC fibers. Excludes optional items added to order and included in box. Paper packaging materials can be recycled via municipal recycling, where available. System bag is made from recycled plastic and can be recycled along with other thin plastics. See local recycling guidelines.*

INSPIRON 15

Ports & Slots- Inspiron 15 (3530/3535) with Plastic cover

1. SD card reader
2. USB 2.0
3. Headset jack***
4. Power jack
5. HDMI 1.4 ****
6. USB 3.2 Gen 1 Type-A
7. USB 3.2 Gen 1 Type-C™ (Data Only)****

At port #7, Inspiron 15 (3530) configurations can have a secondary USB 3.2 Gen 1 Type-A or USB 3.2 Gen 1 Type-C™ (Data Only). See disclosure for more detail.***

***3.5mm Headset Jack functionality varies by model configuration. For best results, use Dell recommended audio accessories.

****The maximum resolution supported over HDMI is 1920x1080 @60Hz. No 4k/2k output.

****On Inspiron 15 (3530), there is 1 USB 3.2 Gen 1 Type-C (data only) port on configurations with plastic cover and 13th Generation Intel® Core processors. There is no type C port available on configurations with Intel® Processor N100 & Intel® Core™ i3-N305 processor; instead, those configurations have 2 USB 3.2 Gen 1 Type-A ports.

Ports & Slots- Inspiron 15 (3530/3535) with Aluminum Cover

1. SD card reader
2. USB 2.0
3. Headset jack***
4. Power jack
5. HDMI 1.4 ****
6. USB 3.2 Gen 1 Type-A
7. USB 3.2 Gen 1 Type-C™ (Full function OR Data Only)****

***3.5mm Headset Jack functionality varies by model configuration. For best results, use Dell recommended audio accessories.

****The maximum resolution supported over HDMI is 1920x1080 @60Hz. No 4k/2k output.

****A USB 3.2 Gen 1 Type-C (full function) port is on Inspiron 15 (3530) configurations with aluminum top cover and a USB 3.2 Gen 1 Type-C™ (Data Only) port is on Inspiron 15 (3535) configurations with aluminum top cover.

INSPIRON 15

Optional Inspiron accessories

Maximize the versatility and performance of your Inspiron 15 with Dell recommended accessories to keep you entertained and connected in any room

Dell 24 Monitor - S2421H

23.8" FHD monitor beautifully designed to sit easily into any space ready for your everyday lifestyle. Impressive audio with built-in dual 3W speakers.

Dell Multimedia Keyboard – KB216

Compact, full size wired keyboard come with quiet keys with multimedia shortcuts and is spill resistant.

Dell Optical Mouse – MS116

Features optical LED tracking and wired connectivity providing a stellar performance day after day.

Dell Essential Backpack 15 - ES1520P

Designed with reflective prints on the front panel, the Dell Essential Backpack 15 (ES1520P) stands out in low-light conditions when hit with direct light, making you more visible.

Inspiron 15 (3530)

MIL-810H Claim

Legal AD #PROJ-000980

The Inspiron 15 (3530) with plastic cover chassis passed 15 MIL-STD-810H tests.*

Test Category	Test Method	Test Results
MIL-STD-810H, Method 500.6, Procedure I	Altitude - Storage / Air Transport	Pass
MIL-STD-810H, Method 500.6, Procedure II	Altitude - Operational / Air Carriage	Pass
MIL-STD-810H, Method 501.7, Procedure I	High temperature - - Induced (Storage and Transition) Conditions	Pass
MIL-STD-810H, Method 501.7, Procedure II	High temperature - Operation Cycling temperature exposure	Pass
MIL-STD-810H, Method 502.7, Procedure I	Low temperature - Storage	Pass
MIL-STD-810H, Method 502.7, Procedure II	Low temperature - Operational	Pass
MIL-STD-810H, Method 507.6, Procedure I	Humidity: - Induced (Storage & Transit) Cycles - Natural Cycles	Pass
MIL-STD-810H, Method 510.7, Procedure I	Sand and dust - Blowing dust	Pass
MIL-STD-810H, Method 514.8, Procedure I, Table 514.8C-II Category 4	Vibration	Pass
MIL-STD-810H, Method 514.8, Procedure I, Category 24	Vibration - Minimum integrity test	Pass
MIL-STD-810H, Method 516.8, Procedure I	Shock - Functional Shock	Pass
MIL-STD-810H, Method 516.8, Procedure II	Shock, Transportation Shock	Pass
MIL-STD-810H, Method 516.8, Procedure IV	Shock - Transit Drop	Pass
MIL-STD-810H, Method 516.8, Procedure V	Shock - Crash Hazard Shock	Pass
MIL-STD-810H, Method 516.8, Procedure VI	SHOCK - Bench Handling	Pass

*Based on testing and certification to MIL-STD-810H standards, performed and reported independently by accredited testing companies, August – October 2023. Actual results may vary; testing results do not guarantee performance under test conditions. Dell does not represent that this product meets United States Department of Defense requirements for military use.

INSPIRON 15

Claims

Reliability claims

Designed for the real world — because that's where life happens.*

1. **Turn up the heat:** From locker rooms to locked cars, we test Inspiron laptops for survival in harsh short-term heat conditions of up to 65°C/149°F.
2. **Everything hinges on it:** We test Inspiron laptop hinges to ensure they still feel tight, even after opening and closing the lid 20,000 times.
3. **Keys to success:** We test commonly used keys for 10 million keystrokes and touch pad buttons 1 million times with no failure. So go ahead, finish your novel.
4. **Buttoned-up:** No matter what you set your power and multimedia buttons to do, we've tested them all to survive up to 40,000 pushes.
5. **Twist and turn:** Call us excessive, but after twisting an Inspiron laptop's base and lid more than 10,000 times, we can assure you the parts inside are well protected

**Based on testing performed by Dell Labs, January 2022. Actual results may vary.*

ExpressCharge™

The **Inspiron 15 (3530 & 3535)** can charge from 0% up to 80% within 60 minutes if user selects ExpressCharge™ mode.*

**ExpressCharge must be enabled within Dell Power Manager software. System must be powered off or in hibernation mode for ExpressCharge feature to function. After charging has reached the stated capacity, charging speed will return to normal speed. Recommended for use with the provided Dell power adapter; not recommended with a smaller capacity power adapter. Charging times may vary.*

Services for Inspiron

Dell has services to help with technology needs throughout the life of your Inspiron. Our mission is to be the technology services provider you trust to keep you connected and productive so you can focus on doing more.

Basic Limited Hardware Warranty Plus Mail-In Service after Remote Diagnosis

Dell's 1 Year Limited Hardware Warranty with Mail-In service after remote diagnosis¹ – If your system encounters an issue covered by Dell's Limited Hardware Warranty and that issue cannot be resolved remotely, this service offers a Mail-In Repair Service (customer provides box and Dell pays shipping) for defects in materials and workmanship in your PC. You can also upgrade or extend your warranty and support coverage with Dell Premium Support. With Premium Support you get 24x7 hassle-free access to dedicated Dell Experts and AI-powered issue detection and resolution with SupportAssist technology.

Dell Premium Support

Tech support can be frustrating with long phone menus, hold times and being transferred again and again. Dell Premium Support eliminates the hassle with 24/7 access to dedicated experts, combined with AI-powered SupportAssist technology that detects and resolves hardware and software issues before they become problems. Anytime, anywhere support – even when you travel domestic or international. If a hardware issue can't be resolved remotely, a technician will come onsite to you at home, school or work.

Dell Premium Support Plus

Premium Support Plus is personalized support for your most immersive PC experience. Everything you need is included - from hassle-free 24/7 access to experts, to accident repairs, and technicians that come onsite to you, if needed.

It keeps your computer running at its best. When used with Dell's exclusive SupportAssist technology, problems are predicted and resolved before they happen, PC settings stay optimized, and viruses and malware are detected and removed. If there is an issue, work begins without you having to pick up the phone, and that means a faster fix.

Premium Support Plus – Fast, hassle-free, personalized support. 24/7 – at home, school or work, even when you travel, domestic and international.

Accidental Damage Service²

Whether in the office or on-the-go, accidents like drops, spills and surges happen. Recover faster with Dell Accidental Damage Service. If a PC or laptop is accidentally damaged, contact Dell support and our technicians will get the unit repaired or replaced quickly. Protect your laptop against the challenges of everyday use. You'll get system replacement for accidents not otherwise covered by the Limited Hardware Warranty, including electrical surges and screen breaks, liquid spills and accidental drops and falls.

¹ Onsite Service After Remote Diagnosis: *On-site Service after remote diagnosis: (a) On-site Service after remote diagnosis is determined by the online or phone technician, and may involve customer access to the inside of the system and multiple extended sessions. If the issue is covered by the Limited Hardware Warranty and cannot be resolved remotely, the technician and/or replacement part will be dispatched, usually in 1 or 2 business days, following the completion of the remote diagnosis. The customer must return the original hardware to Dell according to the rules specified. On-site service is provided by Dell Marketing L.P.; Availability varies. Other conditions apply. For complete details about On-site Service, see dell.com/servicecontracts

² **Accidental Damage-Additional Information:** Accidental Damage Service excludes theft, loss, and damage due to fire, flood or other acts of nature, or intentional damage. Customer may be required to return damaged unit to Dell. Limit of 1 qualified incident per contract year. For more information, **consumers** visit [Accidental Damage Service Contract \(Consumer\)](#)

Important Information
