

Anker Nano Power Bank (10K, 45W, Built -In Retractable USB -C Cable)

Key Message: Anker Power Bank, 10,000mAh Portable Charger with Built-In Retractable USB-C Cable, 45W Fast Charging Battery Pack, 2 USB-C and 1 USB-A.

SP1: Equipped with a 70cm ultra-long retractable C cable

Description: A 70cm retractable cord longer than your arm, offering freedom to charge while using. Instantly retractable with adjustable length at will. Concealed cable management for neater storage.

SP2: Ultra-Compact and portable

Description: Small in size, only 3.21 × 2.01× 1.42 inches. Comes with a lanyard, no need for a bag, easy to carry by hand.

SP3: 45W Max fast charging

Both the USB-C port and the retractable C cable support 45W output, providing a quicker charging experience. The USB-C port also supports PPS 2.0, allowing a Samsung s23 ultra to be fully charged in approximately 70 minutes.

SP4: 10,000mAh Capacity

Description: This 10,000mAh battery packs enough power to charge a phone at least 2 to 3 times—ideal for a short getaway.

SP5: Intelligent Display

Description: Features a smart TFT color screen and a user-friendly interface that provides a clear and detailed display of your charging information.
