

X10 Pro Omni

eufy
Built with care

The World's First Mop Master™ with 8000Pa AI Deep clean

SKU# T2351

Launch Feb 2024

Industry-leading AI See™

Avoids 100+ obstacles, such as charging cables, pet waste, clean without getting stuck

Ultra-Powerful Suction

8,000 Pa suction voraciously devours debris, hair and dust with ease in one pass

MopMaster™ System

1kg pressure to remove stubborn stains and lifts mop pads 12mm when carpets detected

Omni Station

Self empties and holds up to 60 days of debris. Self-washes and dries the mop with hot air (113°F)

Pro Detangle Comb™

Patented built-in comb cleans the roller brush while rotating forward and reverse to remove hair
