USB 3.1 5Gbps Hub

Massive Expansion

Equipped with a USB-C Power Delivery input port, a USB-C data port, 2 USB-A data ports, 1 HDMI port, an Ethernet port, and a microSD/SD card reader, giving you an incredible range of functions—all from a single USB-C port.

High-Speed, High-Def

USB-C and USB-A data ports provide file transfer at speeds up to 10 Gbps, while an HDMI port supports media display at resolutions up to 4K@60Hz.

Consistent Connection

Stable, wired access the web at speeds of up to 1 Gbps through the Ethernet port.

Powerful Pass-Through Charging

Compatible with USB-C Power Delivery to provide high-speed pass-through charging up to 85W.
