

Your day, expertly organized

Dell Pro 14-16 Plus EcoLoop Backpack

MODEL: CP5626

The Dell Pro 14-16 Plus EcoLoop Backpack supports your dynamic workday with ultimate protection and accessible organization. Made from eco-conscious materials, it's a smart, sustainable choice for those who expect more from what they carry.

EcoLoop™

Designed with the Environment in Mind

The Dell EcoLoop™ label highlights products made to reduce environmental impact. This backpack uses 53% recycled materials¹, including 100% OceanCycle Certified® ocean-bound plastic, saves water and energy with solution-dyeing, and features packaging made from 100% recycled or renewable materials with no plastic use in the packaging².

¹ Based on Dell internal analysis, July 2025.

² Contains 86.8% recycled content and 13.2% renewable materials. Renewable materials in the form of sustainably forested materials. Percentages may vary slightly by region. Excludes optional items added to order and included in the box.

Durable and Protective

Count on lasting protection with 360-degree impact coverage, including a top bumper, XPE foam padding, and anti-scratch lining. Waterproof-coated zippers in the laptop compartment, a water-resistant base on the main material, and reflective details help keep your belongings safe and visible.

Professional and Organized

Stay organized for your dynamic workday anywhere. The backpack features a spacious main compartment, a dedicated laptop compartment for laptops up to 16 inches, quick-access front pockets, convenient side pockets, and a luggage pass-through to streamline travel.

Waterproof-coated zipper on the laptop compartment keeps your belongings safe from water damage

Dedicated laptop compartment with padded sleeves fits devices up to 16 inches and provides 360-degree foam padding for superior protection

Spacious main compartment holds accessories, clothes, and more, with a carry capacity of up to 23L

Two front pockets, including a quick-access top pocket and a bottom pocket with built-in organizers, keep smaller essentials within easy reach

Two large side pockets conveniently hold water bottles or other accessories

Luggage pass-through makes travel seamless by securing the backpack to rolling luggage handles

Reflective details on the side pocket and shoulder straps improve visibility during low-light commutes

Durable Twill fabric is water-resistant, with extra PU coating at the bottom for enhanced protection against dirt and moisture

oceancycle
CERTIFIED
Exterior main fabric only

Proudly OceanCycle Certified^{®1}

Made with 53% recycled materials, equivalent to the weight of 43 plastic bottles². It also features 100% OceanCycle certified recycled ocean-bound plastic in the exterior main fabric, reflecting our commitment to protect our ocean ecosystem.

EcoLoop™

Made with a solution dyeing process that can have up to a 97% lower impact on greenhouse gas emissions, 96% lower water impact and 98% lower fossil fuel use per kg of material than traditional dye processes.³

Packaging is now made from 100% recycled or renewable materials, with no plastic used in the packaging.^{4,5}

1 Only applicable on exterior main fabric.

2 Based on Dell internal analysis, July 2025. Plastic bottle estimate assumes a 500 ml plastic water bottle, weighing approximately 9.25 grams.

3 These results were calculated using Higg MSI 3.8 available at app.worldly.io. They were calculated by Positive Scenarios Consulting, LLC and are not verified by Cascale or Worldly.

4 Contains 86.8% recycled content and 13.2% renewable materials. Renewable materials in the form of sustainably forested materials. Percentages may vary slightly by region. Excludes optional items added to order and included in the box. Dell internal analysis, July 2025.
