Dell Pro 15-16 Plus EcoLoop Sleeve  
MODEL: CV5626

The Dell EcoLoop Pro Plus Sleeves are thoughtfully designed to protect your laptop while reducing environmental impact. Made with eco-conscious materials, it combines reliable durability, intuitive organization, and professional style to support your dynamic lifestyle.

EcoLoop™

**Designed with the Environment in Mind**

The Dell EcoLoop™ label highlights products made to reduce environmental impact. These sleeves use 51% recycled materials,<sup>1</sup> including 100% OceanCycle Certified® ocean-bound plastic, saves water and energy with solution-dyeing, and comes in packaging made entirely from recycled or renewable materials.<sup>2</sup>

**Durable and Protective**

The sleeve offers 360-degree impact laptop protection with XPE and PE foam padding and an anti-scratch Nylex lining to guard against daily wear and tear. Its durable 400D Twill material and waterproof coated zippers ensure strength and water resistance, while reflective details enhance visibility in low-light conditions.

**Professional and Organized**

These sleeves are designed for professionals on the go, featuring a laptop compartment that fits devices up to 14/16 inches and a front pocket for smaller accessories. A luggage pass-through and versatile carry options make them travel-ready and convenient for any journey.

<sup>1</sup> Based on Dell internal analysis, November 2025. Plastic bottle estimate assumes a 500 ml plastic water bottle, weighing approximately 9.25 grams.

<sup>2</sup> Contains 88% recycled content and at most 12% renewable content in the form of sustainably forested materials. Percentages may vary slightly by region. Excludes optional items added to order and included in the box.

**Waterproof-coated zipper** keeps your belongings safe from water damage.

**Laptop compartment** designed to fit devices up to 14/16 inches, keeping them secure and protected.

**Front pocket** with expandable storage for cables, adapters, and smaller essentials to keep you organized on the go.

**Versatile carry options** with in-bag use, comfortable handles, or a detachable, adjustable shoulder strap for hands-free convenience.

**Reflective details** improve visibility during low-light commutes.

**Luggage pass-through** makes travel seamless by securing the sleeve to rolling luggage handles.<sup>7</sup>

**Durable Twill fabric** is water-resistant, offering strength and protection to keep your laptop and essentials safe and dry.

**oceancycle**
