

# Silent productivity, seamless precision

Dell Pro 7 Slim Keyboard and Mouse

**MODEL: KM726**

**Boost productivity with our sleek, premium keyboard and mouse combo, offering customizable workflows and industry-leading battery life.**

#### **Engineered for all-day comfort**

Redefine comfort with a sleek keyboard featuring low-profile keys for a smooth, fatigue-free typing experience, paired with a silent mouse to minimize distractions and enhance focus. Enjoy the full-size mouse with a textured grip for better control and upgraded feet material for ultra-smooth glide movements, ensuring effortless navigation and all-day comfort.

#### **Power through tasks with precision**

Maximize productivity with up to 48 months of battery life<sup>1</sup> and customizable workflows, featuring 16 programmable keyboard keys and 4 mouse buttons<sup>2</sup> for tailored efficiency. Enjoy precise control with adjustable cursor speed of up to 6K DPI<sup>2</sup> and adaptive scrolling, offering smooth tactile precision or fast scrolling for effortless navigation.<sup>2</sup>

#### **Secure, seamless, and easy to manage**

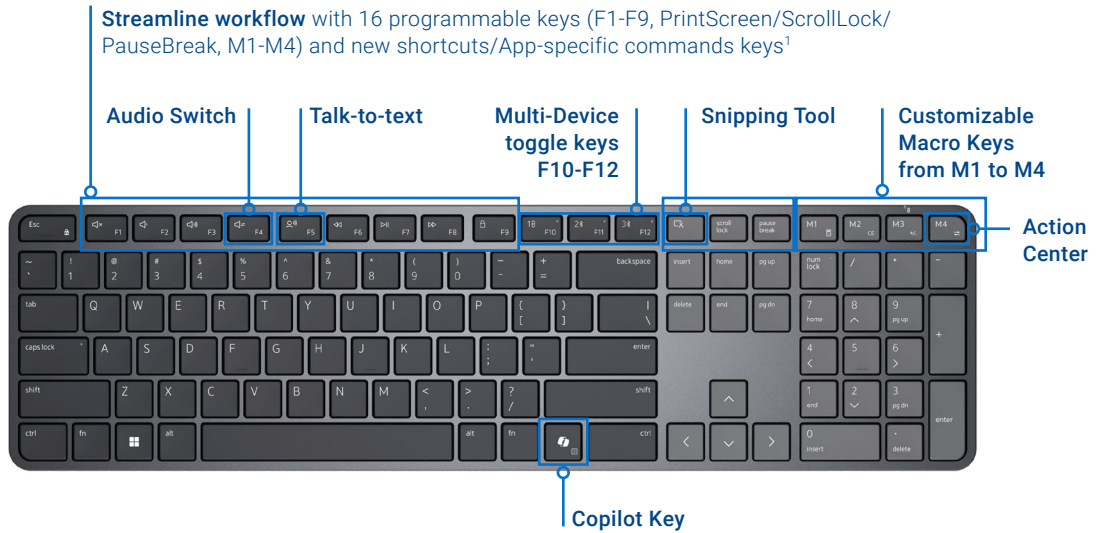

Simplify device management with the Dell Device Management Console, enabling mass firmware deployment for IT managers. Enjoy advanced security with the Dell Secure Link USB Receiver, powered by FIPS-approved algorithms<sup>3</sup> and enhanced with proprietary Dell technology for peace of mind.

<sup>1</sup> Up to 48 months battery life applicable to the mouse. Based on Dell analysis of battery life usage model calculations, Nov. 2025. Results vary depending on use, operating conditions and other factors.

<sup>2</sup> Enabled via Dell Display and Peripheral Manager (DDPM).

<sup>3</sup> Based on internal analysis, August 2025. Actual results may vary.

# Sleek design with industry-leading battery life, quiet typing and silent clicks

**Comfortable and silent typing experience** with low-profile keys

**Up to 48 months of battery life²** for uninterrupted productivity

**Enterprise-grade security** with 128-bits AES encryption and powered by FIPS-approved algorithms

**Better grip and palm support** with textured grip on sides and scroll wheel

**Streamline your workflow** with 4 programmable buttons¹

**Programmable side buttons**

**Scroll wheel with adaptive scrolling**

**Cursor speed button**

**Precise tracking and control** with adjustable cursor speed (up to 6K DPI)¹

**Ultra-smooth glide** with upgraded feet material

This keyboard and mouse is sustainably made with up to **69% post-consumer recycled plastic³**

**Up to 36 months of battery life²** for uninterrupted productivity

1 Enabled via Dell Display and Peripheral Manager (DDPM).

2 Based on Dell analysis of battery life usage model calculations, Nov. 2025. Results vary depending on use, operating conditions and other factors.

3 Based on internal analysis, November 2025. The keyboard and mouse are made with 69% post-consumer recycled plastic, calculated as a percentage of the total plastic weight of the products.
